

ARCHIVE FOR THE 'LONDON FASHION WEEK' TAG

CHANNEL YOUR INNER GEISHA

2nd October 2009

Oh yes we will!! Just check out the stunning 'Miss Butterfly' Spring/Summer 2010 collection and you will too. We fell in love with 'Beautiful Soul' at the London Fashion Week and it is hard to believe it was Nicola's debut.

Inspired by Giacomo Puccini's, Madam Butterfly and produced from Japanese vintage komonos (dating back to the 1940's), vintage saris, Ahimsa peace silk, Fair-Trade organic jacquard, handloom cotton, and bamboo jersey, each piece is exquisite and on top of that **exclusive!!** We just love the thought of going a bit greener and how easy would it be with garments like this?!
